

Safeguarding Statement

All the governors and staff at Easebourne CE Primary School share the objective of keeping the children safe by helping to:

- Provide a safe environment for them to learn
- Identify children who are suffering or likely to suffer significant harm and take appropriate action, with the aim of making sure that they are kept safe both at home and in the education setting

To achieve this objective, we:

- Strive to prevent unsuitable people from working with the children
- Promote safe practice and challenge any poor or unsafe practice
- Identify instances where there are grounds for concern about a child's welfare and initiate or take appropriate action to keep them safe
- Contribute to effective partnership working, as appropriate, with those agencies involved in providing services for our children
