Blue Reef Aquarium Thursday 12 th June	St Mary's Church- End of year service Thursday 17 th July	

Home Learning

Spelling – Please continue to work on spellings of the high frequency words. They are all on EDSHed but I can provide them on paper if you would prefer

Reading – To encourage reading for pleasure and support their progress we ask that children read as regularly as possible. Decodable texts will be sent home for further practise once completed in class. Please make sure that reading books are returned on a Monday morning

Maths – Please try to keep up with Numbots so that children become fluent with number bonds. This will help enormously with their general maths work
