**Our PE days are Thursday and Friday.**

Trips planned for this term:		
Weald and Downland 4 <sup>th</sup> June		

## Home Learning

**Reading**—Please support your child’s reading by encouraging regular reading at home. This will help foster a love of books and build reading confidence. Once your child has read a decodable text at school, it will be sent home for extra practice. Please ensure all books are returned by Monday morning.

**Maths** – Encourage children to continue with Numbots so they become fluent with number bonds. This will help enormously with their general maths work.
